## *What Makes Our Coffee So Unique?*

### OUR COFFEE IS GROWN WITH A MISSION TO CHANGE LIVES

It all begins at our 1,000 acre coffee plantation in Matagalpa, Nicaragua, where our coffee beans are hand cultivated, picked and processed in rich, chemical-free soil.

But we have bigger dreams for our estate grown, quadruple-certified, single origin coffees. Which is why we created Youngevity's Be The Change Foundation. Through our foundation, 100% of the proceeds (Youngevity covers all the administrative costs for the Foundation) help support the families who work on our plantation, as well as these life-changing organisations:

- The American Red Cross
- My Story Matters
- The Mike Glenn Foundation
- Make-A-Wish Foundation
- Catarina's Club
- Gary Sinise Foundation
- The Gesundheit! Institute (Patch Adams)

- Organic Medium Roast Ground** #YC200130
- Organic Medium Roast Whole Bean** #YC100130
- Organic Donut Shop Ground** #YC200110

Our Fair Trade Certified Organic Arabica Medium Roast Coffee is strictly grown in the mountainous regions of Nicaragua for a perfectly mild cup of coffee.

### **Diet Plus 62 Ground #YC200410**

Diet Plus 62 is a high-energy fat-burning gourmet coffee that helps you stay fit, supports a healthy appetite, healthy energy levels and weight loss.

- Cinnamon Hazelnut Cream Ground** #YC200905
- Chocolate Creme Ground** #YC200910
- Hazelnut Cream Ground** #YC200904

Our flavoured coffees are naturally-flavoured. Gourmet coffee is a great-tasting way to enjoy a sweet, creamy cup of coffee any time of the day.

## **Beyond Hot Chocolate**

Beyond Hot Chocolate is an indulging and revitalising take on your traditional cup of hot chocolate.

By combining the delicious antioxidant benefits of South American, organic cacao beans with the health-enhancing, herbal benefits of Reishi mushroom extract, you'll be getting a healthy dose of nutrients in every cup. #YG104145
