

A drop of health, happiness and well-being.

True beauty begins with a healthy body and lifestyle and our special formulations of essential oils are here to support just that. Using steam distillation or cold pressing to protect the integrity of each essence, this gentle handling allows for its most effective use in restoring you to the physical, emotional, mental and spiritual balance nature intended.

BALANCE YOUR
MOOD,

DAY.

PURE,
CONCENTRATED
GOODNESS.

Youngevity delivers only the purest, authentic essential oils from the most respected and ethical distillers. Many of our oils come directly from families that have been distilling for more than one hundred years. They use steamdistillation or cold pressing with time-honored, non destructive techniques to extract and preserve the integrity of each essence.
